ABBOTT CAPITAL MANAGEMENT, LLC

over 20 years of excellence in private equity investments

Abbott Capital was founded in 1986 as an independent registered investment adviser and has focused exclusively on private equity—venture capital, buyouts and special situations—by making investments in professionally managed partnerships. Abbott Capital's investment team applies in-depth fundamental research and a rigorous due diligence process to selecting investment partnerships, constructing portfolios and monitoring investments that have the potential to produce attractive long-term rates of return.

As one of the premier firms in private equity, Abbott Capital takes great pride in the growth and success of its organization. Abbott Capital offers a unique combination of performance, continuity among senior professionals and alignment of interests that stems from its history as an independent manager focused solely on private equity investments.

Abbott's strengths include its commitment to building relationships with clients and general partners alike—and a dedication to providing a culture of long-term partnership among investors and their investments.

KEY STRENGTHS OF ABBOTT:

- Respected leader in private equity investing
